SOCIAL SECURITY NUMBER

Child Health Plus: SSNs are not required to enroll in Child Health Plus. If available, I will include it for children applying for Child Health Plus.

Medicaid, or Family Health Plus: SSNs are required for all applicants, unless the person is pregnant or a non-qualified alien. SSNs are not required for members of my household who are not applying for benefits. I understand that this is required by Federal Law at 42 U.S.C. 1320b-7 (a) and by Medicaid regulations at 42 CFR 435.910. SSNs are used in many ways, both within department of social services (DSS) and between the DSS and federal, state, and local agencies, both in New York and other jurisdictions. Some uses of SSNs are: to check identity, to identify and verify earned and unearned income, to see if non-custodial parents can get health insurance coverage for applicants, to see if applicants can get medical support, and to see if applicants can get money or other help. SSNs may also be used for identification of the recipient within and between central governmental Medicaid agencies to insure proper services are made available to the recipient. Also, if I apply for other programs in this joint application, those programs will have access to my SSN and could use it in the administration of the program.

FOR MEDICAID APPLICANTS ONLY

- **Release of Educational Records**
  I give permission to the local department of social services and New York State to obtain any information regarding the educational records of my child(ren), herein named, necessary for claiming Medicaid reimbursements for health-related educational services, and to provide the appropriate federal government agency access to this information for the sole purpose of audit.
- **Early Intervention Program**
  If my child is evaluated for or participates in the New York State Early Intervention Program, I give permission to the local department of social services and New York State to share my child's Medicaid eligibility information with my county Early Intervention Program for the purpose of billing Medicaid.

- **Reimbursement of Medical Expenses**
  I understand that I have a right as part of my Medicaid application, or later, to request reimbursement of expenses I paid for covered medical care, services and supplies received during the three month period prior to the month of my application. After the date of my application, reimbursement of covered medical care, services and supplies will only be available if obtained from Medicaid enrolled providers.

FAMILY HEALTH PLUS AND MEDICAID MANAGED CARE

I understand that in order to receive Family Health Plus benefits, I must join a managed care health plan. I also know that in some counties, joining a health plan may be required to receive Medicaid. I have read how to find out whether my county requires Medicaid enrollees to join a health plan, and how to find out what health plans are available to me in Family Health Plus and in Medicaid managed care. I understand that if I am found eligible for Family Health Plus, I will be enrolled in the Family Health Plus plan I have chosen. I/we also understand that if I/we are found eligible for Medicaid instead of Family Health Plus and I/we are in a county that requires Medicaid enrollees to be in a managed care health plan, I/we will be enrolled in the health plan I/we chose unless that health plan does not participate in Medicaid managed care. If I/we are in a county that does not require enrollees to be in a Medicaid managed care health plan, I/we will still be enrolled in the health plan I/we chose unless I/we notify my local social services department in writing, or I/we check the box in Section I, that I/we do not want to be in that plan.

I have read how to find out the rights and benefits that I will have as a member of a managed care health plan and the benefit limitations of managed care membership. I understand that in both Family Health Plus and Medicaid managed care, I must choose a Primary Care Provider (PCP) and that I will have a choice from at least three PCPs in my health plan. I understand that once I enroll in a health plan, I will have to use my PCP and other providers in my health plan except in a few special circumstances.

I understand that if a child is born to me while I am a member of a Medicaid managed care health plan, my child will be enrolled in the same health plan that I am in. I understand that if a child is born to me while I am a member of a Family Health Plus plan that also participates in Medicaid managed care, my child will be enrolled in the same health plan that I am in.

- **Release of Medical Information**
  I consent to the release of any medical information about me and any members of my family for whom I can give consent:
  - By my PCP, any other health care provider or the New York State Department of Health (NYSDOH) to my health plan and any health care providers involved in caring for me or my family, as reasonably necessary for my health plan or my providers to carry out treatment, payment, or health care operations. This may include pharmacy and other medical claims information needed to help manage my care;
  - By my health plan and any health care providers to NYSDOH and other authorized federal, state, and local agencies for purposes of administration of the Medicaid, Child Health Plus, and Family Health Plus programs; and
  - By my health plan to other persons or organizations, as reasonably necessary for my health plan to carry out treatment, payment, or health care operations.

I also agree that the information released for treatment, payment and health care operations may include HIV, mental health or alcohol and substance abuse information about me and members of my family to the extent permitted by law, until I revoke this consent.

If more than one adult in the family is joining a Family Health Plus or Medicaid health plan, the signature of each adult applying is necessary for consent to release information.

- **Reimbursement of Medical Expenses**
  I understand that if I am determined eligible for Family Health Plus my enrollment will be effective no later than 90 days from the date of submission of a completed application. In the event of an error or delay in my enrollment, Medicaid may be able to reimburse me for reasonable medical expenses I pay as a result of the error or delay. Medicaid may pay my provider for any unpaid expenses only if that provider is a Medicaid enrolled provider.

Upon receipt of Medicaid, a lien may be filed and a recovery may be made against your real property under certain circumstances if you are in a medical institution and not expected to return home. Medicaid paid on your behalf may be recovered from persons who had legal responsibility for your support at the time medical services were obtained. Medicaid may also recover the cost of services and premiums incorrectly paid.

Federal and State laws provide that any transfer of assets for less than fair market value made by an individual or an individual's spouse, within the transfer of assets look-back period (or 60 months in the case of trust-related transfers) prior to the first of the month in which the individual is both in receipt of nursing facility services and determined otherwise eligible for Medicaid coverage of nursing facility services, may cause the individual to be ineligible for nursing facility services for a period of time.

As a condition of Medicaid coverage for nursing facility services, applicants are required to disclose a description of any interest the individual or the individual's spouse has in an annuity. This disclosure is required regardless of whether the annuity is irrevocable or a countable resource.

In addition to the purchase of an annuity, certain transactions made to an annuity by the applicant or the applicant's spouse on or after February 8, 2006, may be treated as a transfer unless:

- The State is named the remainder beneficiary in the first position for at least the amount of Medicaid paid on behalf of the annuitant; or
- The State is named in the second position after a community spouse or minor or disabled child, or in the first position if such spouse or representative of such child disposes of any such remainder for less than fair market value.

If documentation is not submitted verifying that the State has been named remainder beneficiary, you may be ineligible for coverage of nursing facility services.

If the annuity is a countable resource at the time of application, you/your spouse are not required to name the State as remainder beneficiary.

I certify under penalty of perjury, that the information on this form is correct and complete to the best of my knowledge. I understand that I must report any changes in this information within 10 days of the change.
