

# List of Pooled SNTs in New York State

This is an unofficial list of non-profit organizations in New York State that offer pooled Supplemental Needs Trusts (or similar services) to people with disabilities. We do not claim that this is an exhaustive list; there may be other pooled trusts in the state of which we are unaware. In addition, the specifics about each trust may not be up to date, so the best source of information is to contact the trust organization directly. Please let us know if you find any corrections. For more information on Pooled Income Trusts, see our fact sheets in [English](#) and [Spanish](#).
